**DECLARATION OF CAMERON R. AZARI, ESQ. REGARDING SETTLEMENT
NOTICE PLAN AND DISTRIBUTION PLAN**

I, Cameron R. Azari, Esq., hereby declare and state as follows:

1. My name is Cameron R. Azari, Esq. I have personal knowledge of the matters set forth herein, and I believe them to be true and correct.

2. I am a nationally recognized expert in the field of legal notice and have served as an expert in hundreds of federal and state cases involving class action notice plans.

3. I am a Senior Vice President of Epiq Class Action & Claims Solutions, Inc. (“Epiq”) and the Managing Director of Epiq Legal Noticing (aka Hilsoft Notifications), a business unit of Epiq that specializes in designing, developing, analyzing, and implementing large-scale, un-biased, legal notification plans.

4. I previously executed my *Declaration of Cameron R. Azari, Esq. Regarding Notice Plan*, (“Class Certification Notice Plan Declaration”) on May 16, 2022, (ECF 774-5), which described the Class Certification Notice Plan, detailed Hilsoft’s class action notice experience, and attached Hilsoft’s *curriculum vitae*. I also provided my educational and professional experience relating to class actions and my ability to render opinions on overall adequacy of notice programs. Subsequently, I signed my *Declaration of Cameron R. Azari, Esq. on Implementation*

DECLARATION OF CAMERON R. AZARI, ESQ. REGARDING SETTLEMENT NOTICE PLAN
AND DISTRIBUTION PLAN

and Adequacy of Notice Plan, (“Class Certification Notice Plan Implementation Declaration”) on January 19, 2023, which described the successful implementation of the Class Certification Notice Plan and provided notice administration statistics to document compliance with the Court’s order regarding notice. The Class Certification Notice Plan Implementation Declaration is included as **Attachment 1**.

5. In addition to designing and implementing the Class Certification Notice Plan, I have served as a notice expert and have been recognized and appointed by courts to design and provide notice in many significant cases, including:

a) *In re: Payment Card Interchange Fee and Merchant Discount Antitrust Litigation*, MDL No. 1720 (E.D.N.Y.). Second Circuit affirmed. *See Fikes Wholesale, Inc. v. Visa U.S.A., Inc.* 62 F.4th 704 (2d Cir. 2023). The case involved a \$5.5 billion settlement reached by Visa and MasterCard. An intensive initial notice program included more than 19.8 million direct mail notices sent to potential class members, together with insertions in over 1,500 newspapers, consumer magazines, national business publications, trade and specialty publications, with notices in multiple languages, and a digital notice campaign (delivering more than 770 million adult impressions). Sponsored search listings and a settlement website in eight languages expanded the notice program. For the subsequent settlement reached by Visa and MasterCard, an extensive notice program was implemented, which included over 16.3 million direct mail notices to class members together with more than 354 print publication insertions and digital notices (delivering more than 689 million adult impressions).

b) *In re Juul Labs, Inc. Marketing, Sales Practices, and Products Liability Litigation* 19-md-02913 (N.D. Cal.), involved two settlements totaling \$300 million for JUUL Labs, Inc. and Altria, which alleged consumers were misled about JUUL products’ addictiveness and safety, causing them to pay more, and that JUUL products were unlawfully marketed to minors. Two companion notice programs were implemented with more than 10.7 million email notices and nearly 500,000 postcard notices sent to potential class members and comprehensive media efforts

DISTRIBUTION PLAN

(over 936 million impressions delivered). The notice programs each reached approximately 80% of the class nationwide.

c) *In Re: Zoom Video Communications, Inc. Privacy Litigation*, 3:20-cv-02155 (N.D. Cal.), involved an extensive notice plan for a \$85 million privacy settlement involving Zoom, the most popular videoconferencing platform. Notice was sent to more than 158 million class members by email or mail, and millions of reminder notices were sent to stimulate claim filings. The individual notice efforts reached approximately 91% of the class. A supplemental media campaign provided notice via regional newspaper notice, nationally distributed digital and social media notice (delivering more than 280 million impressions), sponsored search, an informational release, and a settlement website.

d) *In re Takata Airbag Products Liability Litigation*, MDL No. 2599, 1:15-md-02599 (S.D. Fla.), involved \$1.91 billion in settlements with BMW, Mazda, Subaru, Toyota, Honda, Nissan, Ford, and Volkswagen regarding Takata airbags. The notice programs included individual mailed notice to more than 61.8 million potential class members and extensive nationwide media via consumer publications, U.S. Territory newspapers, radio, digital notices, mobile digital notices, and behaviorally targeted digital media. Combined, the notice programs reached more than 95% of adults aged 18+ in the U.S. who owned or leased a subject vehicle, with a frequency of 4.0 times each.

e) *In Re: Capital One Consumer Data Security Breach Litigation*, MDL No. 2915, 1:19-md-02915 (E.D. Va.), involved an extensive notice program for a \$190 million data breach settlement. Notice was sent to more than 93.6 million settlement class members by email or mail. The individual notice efforts reached approximately 96% of the identified settlement class members and were enhanced by a supplemental media plan that included digital and social media notices (delivering more than 123.4 million impressions), sponsored search, and a settlement website.

f) *In re U.S. Office of Personnel Management Data Security Breach Litigation* MDL No. 2664, 15-cv-01394 (D.D.C.), involved a \$63 million settlement for compromised personal information of then-current and former federal government employees and contractors, and certain

applicants for federal employment. An extensive nationwide media notice campaign was implemented using magazines, digital and social media notices (delivering more than 758 million impressions), traditional and satellite radio, and other forms of media. The media notice reached at least 85% of the class. In addition, more than 3.5 million email notices and/or postcard notices were sent to identified class members. The notice program was supplemented with outreach to unions and associations, sponsored search listings, an informational release, and a settlement website.

g) *In re: Oil Spill by the Oil Rig "Deepwater Horizon" in the Gulf of Mexico, on April 20, 2010*, MDL No. 2179 (E.D. La.), involved landmark settlement notice programs to distinct "Economic and Property Damages" and "Medical Benefits" settlement classes for BP's \$7.8 billion settlement of claims related to the Deepwater Horizon oil spill. Notice efforts included more than 7,900 television spots, 5,200 radio spots, and 5,400 print insertions and reached over 95% of Gulf Coast residents.

6. Courts have recognized our testimony as to which method of notification is appropriate for a given case, and I have provided testimony on numerous occasions on whether a certain method of notice represents the best notice practicable under the circumstances. Numerous court opinions and comments regarding my testimony, and the adequacy of our notice efforts, are included in the Epiq Legal Noticing *curriculum vitae* included as **Attachment 2**.

7. In forming expert opinions, my staff and I draw from our in-depth class action case experience, as well as our educational and related work experiences. I am an active member of the Oregon State Bar, having received my Bachelor of Science from Willamette University and my Juris Doctor from Northwestern School of Law at Lewis and Clark College. I have served as the Director of Legal Notice for Epiq since 2008 and have overseen the detailed planning of virtually all our court-approved notice programs during that time. Overall, I have more than 24 years of experience in the design and implementation of legal notification and claims administration programs, having been personally involved in well over one hundred successful notice programs.

DECLARATION OF CAMERON R. AZARI, ESQ. REGARDING NOTICE PLAN AND
DISTRIBUTION PLAN

8. The facts in this declaration are based on my personal knowledge, as well as information provided to me by my colleagues in the ordinary course of my business at Epiq and Epiq Legal Noticing (hereinafter “Epiq”).

OVERVIEW

9. This declaration describes the proposed Settlement Notice Plan (“Notice Plan”) and Notices (the “Notice” or “Notices”) for *B & R Supermarket, Inc., et al. v. Visa, Inc., et al.*, Case No. 1:17-cv-02738-MKB-JAM, pending in the United States District Court for the Eastern District of New York, for Settling Defendants Discover Financial Services, (“Discover”) and American Express Company (“Amex”). Epiq designed this Notice Plan based on our extensive prior experience and research into the notice issues particular to the Settlements and our prior experience designing and implementing the Class Certification Notice Plan of this Action. We have analyzed and proposed the best notice practicable under the circumstances to provide notice to the Class Members.

DATA PRIVACY AND SECURITY

10. Epiq has procedures in place to protect the security of data for the Class. As with all cases, Epiq maintains extensive data security and privacy safeguards in its official capacity as the Claims Administrator for the Action. A Services Agreement, which formally retains Epiq as the Claims Administrator, will govern Epiq’s continued administration responsibilities for the Action. Service changes or modification beyond the original contract scope will require formal contract addendum or modification. Epiq maintains adequate insurance in case of errors.

11. With respect to the data it receives, collects, and otherwise hosts, Epiq serves as a data processor and acts only at the direction of the designated data controller or of the Court, as described in applicable contracts, statements of work, and/or Court documents and Orders. Epiq does not utilize or perform other procedures on personal data provided or obtained as part of services as Administrator. Epiq will not use any information provided by Class Members for any other purpose than the administration of this action. Specifically, Class Member information will

not be used, disseminated, or disclosed by or to any other person for any other purpose unrelated to the administration of this action.

12. The security and privacy of clients' and class members' information and data are paramount to Epiq. That is why Epiq has invested in a layered and robust set of trusted security personnel, controls, and technology to protect the data we handle. To promote a secure environment for client and class member data, industry leading firewalls and intrusion prevention systems protect and monitor Epiq's network perimeter with regular vulnerability scans and penetration tests. Epiq deploys best-in-class endpoint detection, response, and anti-virus solutions on our endpoints and servers. Strong authentication mechanisms and multi-factor authentication are required for access to Epiq's systems and the data we protect. In addition, Epiq has employed the use of behavior and signature-based analytics as well as monitoring tools across our entire network, which are managed 24 hours per day, 7 days per week, by a team of experienced professionals.

13. Epiq's world class data centers are defended by multi-layered, physical access security, including formal ID and prior approval before access is granted, closed-circuit television ("CCTV"), alarms, biometric devices, and security guards, 24 hours per day, 7 days per week. Epiq manages minimum Tier 3+ data centers in 18 locations worldwide. Our centers have robust environmental controls including uninterruptable power supply ("UPS"), fire detection and suppression controls, flood protection, and cooling systems.

14. Beyond Epiq's technology, our people play a vital role in protecting class members' and our clients' information. Epiq has a dedicated information security team comprised of highly trained, experienced, and qualified security professionals. Our teams stay on top of important security issues and retain important industry standard certifications, like SysAdmin, Audit, Network, and Security ("SANS"), Certified Information Systems Security Professional ("CISSP"), and Certified Information Systems Auditor ("CISA"). Epiq is continually improving security infrastructure and processes based on an ever-changing digital landscape. Epiq also partners with best-in-class security service providers. Our robust policies and processes cover all aspects of

information security to form part of an industry leading security and compliance program, which is regularly assessed by independent third parties.

15. Epiq holds several industry certifications including: Trusted Information Security Assessment Exchange (“TISAX”), Cyber Essentials, Privacy Shield, and ISO 27001. In addition to retaining these certifications, we are aligned to Health Insurance Portability and Accountability Act (“HIPAA”), National Institute of Standards and Technology (“NIST”), and Federal Information Security Management Act (“FISMA”) frameworks. Epiq follows local, national, and international privacy regulations. To support our business and staff, Epiq has a dedicated team to facilitate and monitor compliance with privacy policies. Epiq is also committed to a culture of security mindfulness. All employees routinely undergo cybersecurity trainings to ensure that safeguarding information and cybersecurity vigilance is a core practice in all aspects of the work our teams complete.

16. Upon completion of a project, Epiq continues to host all data until otherwise instructed in writing by a customer to delete, archive or return such data. When a customer requests that Epiq delete or destroy all data, Epiq agrees to delete or destroy all such data; provided, however, that Epiq may retain data as required by applicable law, rule or regulation, and to the extent such copies are electronically stored in accordance with Epiq’s record retention or back-up policies or procedures (including those regarding electronic communications) then in effect. Epiq keeps data in line with client retention requirements. If no retention period is specified, Epiq returns the data to the client or securely deletes it as appropriate.

NOTICE PLAN METHODOLOGY

17. Federal Rules of Civil Procedure, Rule 23 directs that notice must be “the best notice that is practicable under the circumstances, including individual notice to all members who can be identified through reasonable effort” and that “the notice may be by one or more of the

following: United States mail, electronic means, or other appropriate means.”¹ The Notice Plan will satisfy these requirements.

18. This Notice Plan is designed to reach the greatest practicable number of Class Members, and has been built with all of the same features as the Class Certification Notice Plan. Given our experience with similar notice efforts, we expect the Notice Plan’s individual notice efforts via email and/or mail to identified Class Members combined with an extensive media program including digital and social media notice will reach at least 80% of the Class. The reach will be further enhanced by newspaper publication, internet sponsored search listings, an informational release, and a Case Website. In my experience, the projected reach of the Notice Plan is consistent with other court-approved notice programs, is the best notice practicable under the circumstances of this case, and has been designed to satisfy the requirements of due process, including its “desire to actually inform” requirement.²

NOTICE PLAN DETAIL

19. The Notice Plan is designed to provide notice to the following Class as defined in the *Class Certification Order*, approved on August 28, 2020:

Merchants who incurred one or more unreimbursed chargeback(s) between October 1, 2015 through and including September 30, 2017, pursuant to the Fraud Liability Shift for the assessment of Mastercard, Visa, Discover and/or Amex payment card chargebacks (the “Class”). Excluded from the Class are members of the judiciary and government entities or agencies.

20. Both the Discover and AmEx Stipulation and Agreements of Settlement (“Settlement Agreements”) were also reviewed in designing the Notice Plan.

¹ Fed. R. Civ. P. 23(c)(2)(B).

² *Mullane v. Cent. Hanover Bank & Trust Co.*, 339 U.S. 306, 315 (1950) (“But when notice is a person’s due, process which is a mere gesture is not due process. The means employed must be such as one desirous of actually informing the absentee might reasonably adopt to accomplish it. The reasonableness and hence the constitutional validity of any chosen method may be defended on the ground that it is in itself reasonably certain to inform those affected . . .”).

NOTICE PLAN

Individual Notice

21. It is my understanding from counsel for the parties that Epiq was provided all the available data for the identified Class Members at the class certification stage. The data includes names, email addresses, and physical addresses for identified Class Members. This existing data will be used to provide notice to the identified Class Members regarding the Discover Settlement and the Amex Settlement.

22. A Postcard Notice will be sent via United States Postal Service (“USPS”) first class mail to all identified Class Members with an associated physical address, and an Email Notice will be sent to all identified Class Members for whom a valid email address is available (meaning records with both a physical address and an email address will be sent both a Postcard Notice and an Email Notice).

Individual Notice – Direct Mail

23. Epiq will send a Postcard Notice to all identified Class Members with an associated physical address. The Postcard Notice will be sent via USPS first class mail. In addition, the Postcard Notice will also direct the recipients to the Case Website where they can access the Long Form Notice and additional information about the Settlements.

24. Prior to sending the Postcard Notice, mailing addresses will be checked against the National Change of Address (“NCOA”) database maintained by the USPS to ensure the Class Member address information is up-to-date and accurately formatted for mailing.³ In addition, the addresses will be certified via the Coding Accuracy Support System (“CASS”) to ensure the quality of the zip code, and will be verified through Delivery Point Validation (“DPV”) to verify

³ The NCOA database is maintained by the USPS and consists of approximately 160 million permanent change-of-address (COA) records consisting of names and addresses of individuals, families, and businesses who have filed a change-of-address with the Postal Service™. The address information is maintained on the database for 48 months and reduces undeliverable mail by providing the most current address information, including standardized and delivery-point-coded addresses, for matches made to the NCOA file for individual, family, and business moves.

the accuracy of the addresses. This address updating process is standard for the industry and for the majority of promotional mailings that occur today.

25. The return address on the Postcard Notices will be a post office box that Epiq will maintain for these Settlements. The USPS will automatically forward Postcard Notices with an available forwarding address order that has not expired (“Postal Forwards”). Postcard Notices returned as undeliverable will be re-mailed to any new address available through USPS information, (for example, to the address provided by the USPS on returned mail pieces for which the automatic forwarding order has expired, but is still within the time period in which the USPS returns the piece with the address indicated), and to better addresses that may be found using a third-party lookup service. Upon successfully locating better addresses, Postcard Notices will be promptly remailed.

Individual Notice – Email

26. Epiq will send an Email Notice to all identified Class Members for whom a valid email address is available. The following industry standard best practices will be followed for the Email Notice efforts. The Email Notice will be drafted in such a way that the subject line, the sender, and the body of the message overcome SPAM filters and ensure readership to the fullest extent reasonably practicable. For instance, the Email Notice will use an embedded html text format. This format will provide easy-to-read text without graphics, tables, images, and other elements that in our experience would increase the likelihood that the message could be blocked by Internet Service Providers (ISPs) and/or SPAM filters for this type of email communication. The Email Notices will be sent from an IP address known to major email providers as one not used to send bulk “SPAM” or “junk” email blasts. Each Email Notice will be transmitted with a digital signature to the header and content of the Email Notice, which will allow ISPs to programmatically authenticate that the Email Notices are from our authorized mail servers. Each Email Notice will also be transmitted with a unique message identifier. The Email Notice will include an embedded link to the Case Website. By clicking the link, recipients will be able to access the Long Form Notice and other information about the Settlements.

27. If the receiving email server cannot deliver the message, a “bounce code” will be returned along with the unique message identifier. For Email Notices for which a bounce code is received indicating that the message was undeliverable for reasons such as an inactive or disabled account, the recipient’s mailbox was full, technical autoreplies, etc., at least two additional attempts will be made to deliver the Notice by email.

Internet Digital Notice Campaign

28. Internet advertising has become a standard component in legal notice programs. The internet has proven to be an efficient and cost-effective method to target class members as part of providing notice of a settlement for a class action case. According to MRI-Simmons⁴ data, 97% of all adults are online and 85% of all adults use social media.⁵

29. The Notice Plan includes targeted digital advertising (“Digital Notices”) on the selected advertising network *Google Display Network*, which represents thousands of digital properties across all major content categories. Digital Notices in English and Spanish will be targeted to selected target audiences and are designed to encourage participation by Class Members—by linking directly to the Case Website, allowing visitors easy access to relevant information and documents.

30. The Digital Notices will also be placed on the leading social media platforms in the United States, including *Facebook* and *Instagram*. The social media campaign will use an interest-based approach which focuses on the interests that users exhibit while on the social media platforms, capitalizing on the target audience’s propensity to engage in social media.

⁴ MRI-Simmons is a leading source of publication readership and product usage data for the communications industry. MRI-Simmons is a joint venture of GfK Mediamark Research & Intelligence, LLC (“MRI”) and Simmons Market Research. MRI-Simmons offers comprehensive demographic, lifestyle, product usage and exposure to all forms of advertising media collected from a single sample. As the leading U.S. supplier of multimedia audience research, the company provides information to magazines, televisions, radio, internet, and other media, leading national advertisers, and over 450 advertising agencies—including 90 of the top 100 in the United States. MRI-Simmons’s national syndicated data is widely used by companies as the basis for the majority of the media and marketing plans that are written for advertised brands in the United States.

⁵ MRI-Simmons 2024 Survey of the American Consumer®.

31. *Facebook* is the leading social networking site in the United States with 193 million users, and *Instagram* has 169 million active users in the United States.⁶

32. The Digital Notices will also be placed on Crain’s specialty business websites focusing on major metropolitan geographies including Chicago, New York, Cleveland, and Detroit.

33. All Digital Notices will appear on desktop, mobile, and tablet devices. Digital Notices on *Google Display Network*, *Facebook*, and *Instagram* will be displayed nationwide. Digital Notices will also be targeted (remarketed) to people who click on a Digital Notice.

34. More details regarding the target audiences, specific ad sizes of the Digital Notices, and the number of planned impressions are included in the following table:

Non-English Newspaper Notices

36. In order to target the extensive number of small businesses that may be owned or operated by Class Members for whom English is a second language, a Publication Notice will appear twice in each of the following newspapers:

When visitors to these search engines search for selected keyword combinations related to the Settlements, the sponsored search listing advertisement created for this Settlement will be displayed. Generally, the sponsored search listing advertisement will appear at the top of the visitor's website page prior to the search results or in the upper right-hand column of the web-browser screen. search listings will be displayed nationwide. All sponsored search listings will link directly to the Case Website.

Informational Release

38. To build additional reach and extend exposures, a party-neutral Informational Release (in both English and Spanish) will be issued nationwide over PR Newswire's U.S.1 to approximately 13,000 general media (print and broadcast) outlets, including local and national newspapers, magazines, national wire services, television and radio broadcast media across the United States as well as over 4,000 websites, online databases, internet networks, and social networking media. The Hispanic newswire reaches over 1,900 Hispanic US general media contacts as well as up to 4,840 additional industry-specific Hispanic media contacts. The Hispanic release also includes a guaranteed placement on 40+ Hispanic websites and/or news portals. In addition, there will also be dissemination to "Small Business" influencers.

39. The Informational Release will include the address of the Case Website and the toll-free telephone number. Although there is no guarantee that any news stories will result, the Informational Release will serve a valuable role by providing additional notice exposures beyond that which was provided by the paid media.

Case Website

40. The existing website (www.FraudLiabilityShiftLitigation.com) that was established for the class certification notice efforts will be updated with additional information regarding the Settlements. Relevant documents will be posted on the Case Website, including the Settlement Agreement, Preliminary Approval Order, Long Form Notice, and any other case-related documents. In addition, the Case Website will include relevant dates, answers to frequently asked questions ("FAQs"), instructions for how Class Members may object to the Settlements, contact information for the Case Administrator, and how to obtain other case-related information. The Case Website address will be prominently displayed in all notice documents.

Toll-Free Telephone Number & Postal Mailing Address

41. The existing toll-free telephone number (1-855-662-0073) that was established for the class certification notice efforts will be updated with additional information regarding the Settlements. Callers will be able to hear an introductory message and will have the option to learn more about the Settlement in the form of recorded answers to FAQs, and to request that a Long Form Notice be mailed to them. This automated telephone system will be available 24 hours per day, 7 days per week. The toll-free telephone number will be prominently displayed in all notice documents.

42. A postal mailing address will be provided, allowing Class Members the opportunity to request additional information or ask questions.

Claims Processing Expectations

43. Epiq has administered more than 4,500 settlements, including some of the largest and most complex cases ever settled, resulting in extensive experience in claims administration. This includes evaluating claim forms and supporting documentation, ranging from simple to complex submissions with detailed document review to determine eligibility across various types of cases, along with handling and evaluating extremely large volumes of claim form submissions. Not only is Epiq an experienced claims administrator, Epiq is also the notice and claims administrator for the *In re: Payment Card Interchange Fee and Merchant Discount Antitrust Litigation* Rule 23(b)(3) proceeding. The Class here will benefit from Epiq's experience with handling many aspects associated with the complex data and claims presented in the Rule 23(b)(3) Interchange Settlement. While not identical, there are many commonalities with the Settlements in this Action, which will benefit the Class because Epiq is handling both matters.

44. At the appropriate time as provided in the proposed Plan of Distribution, it is anticipated Class Members will have the option of filing a Claim Form online or by mail prior to the claim filing deadline. To provide efficiency for claimants, the electronic Notices will provide a link directly to the Case Website where Class Members can file a Claim Form online. It is

anticipated that Class Counsel will work with Epiq as the Claims Administrator to ensure claimants are supported, taking into account the need to verify valid claims, while not overburdening Class Members as they file a Claim Form. Epiq will work with Class Counsel to pre-populate claims for those claimants with the largest amounts in FLS Chargeback damages, to the extent it is administratively feasible. The degree to which this is possible will depend upon the data available during the claims noticing process and the quantity and relative complexity of the data. There will be a review process as part of the claims process, for claimants to dispute the amounts they are owed. Epiq will also implement quality control review procedures, including processes to provide further verification of larger claims. As further described in the proposed Plan of Distribution, Epiq as the Claims Administrator will be responsible for developing an appropriate plan to review Claim Forms (“Audit Plan”), which will be provided in advance to Class Counsel for review and approval. To the extent claimants dispute their award amount (prior to any *pro rata* calculation), Epiq will manage a multistate process by which the claimants may challenge the Claims Administrator’s determination.

45. Unfortunately, in recent years, fraudulent claim filing has become a more common reality, and the claims administration industry has seen an exponential growth in fraudulent claims filed in class action settlements. The modernization of online claim filing, together with relentless efforts by fraudulent claim filers is now an ever changing element that has to be handled by all claims administrators. As the Claims Administrator, Epiq will utilize standard procedures for detecting invalid claims, including potentially fraudulent submissions using automated systems. Epiq has partnered with the best resources in the industry to detect and combat fraud and provide the best results.

46. Using EpiqShield™, Epiq maintains a vigorous, multi-layered fraud detection process to prevent, detect, and provide in-depth analysis regarding possible fraudulent claim submissions. EpiqShield™ uses numerous anti-fraud measures, extensive technology, and information security resources, including digital footprint monitoring and secure banking

solutions. These tools serve to detect and prevent fraud attempts perpetuated by bots, etc. Epiq also addresses smaller-scale fraud from individual bad actors seeking to falsify claim information.

CONCLUSION

47. In class action notice planning, execution, and analysis, we are guided by due process considerations under the United States Constitution, by federal and local rules and statutes, and further by case law pertaining to notice. This framework directs that the notice program be designed to reach the greatest practicable number of potential class members and, that the notice or notice program provides class members with easy access to the details of how the class action may impact their rights. All of these requirements will be met in this Action.

48. The Notice Plan's individual notice efforts via email and/or mail to identified Class Members combined with an extensive media program including digital and social media notice will reach at least 80% of the Class. The reach will be further enhanced by newspaper publication, internet sponsored search listings, an informational release, and a Case Website. The Federal Judicial Center's ("FJC") *Judges' Class Action Notice and Claims Process Checklist and Plain Language Guide*, which is relied upon for federal cases, and is illustrative for state courts, states that, "the lynchpin in an objective determination of the adequacy of a proposed notice effort is whether all the notice efforts together will reach a high percentage of the class. It is reasonable to reach between 70–95%."¹¹ Here, we have developed a Notice Plan that will readily achieve a reach within that standard.

49. The Notice Plan follows the guidance for satisfying due process obligations that a notice expert gleans from the United States Supreme Court's seminal decisions, which emphasize the need: (a) to endeavor to actually inform the Class, and (b) to ensure that notice is reasonably calculated to do so.

¹¹ FED. JUDICIAL CTR, JUDGES' CLASS ACTION NOTICE AND CLAIMS PROCESS CHECKLIST AND PLAIN LANGUAGE GUIDE 3 (2010), available at <https://www.fjc.gov/content/judges-class-action-notice-and-claims-process-checklist-and-plain-language-guide-0>.

- a) “[W]hen notice is a person’s due, process which is a mere gesture is not due process. The means employed must be such as one desirous of actually informing the absentee might reasonably adopt to accomplish it,” *Mullane v. Central Hanover Trust*, 339 U.S. 306, 315 (1950); and
- b) “[N]otice must be reasonably calculated, under all the circumstances, to apprise interested parties of the pendency of the action and afford them an opportunity to present their objections,” *Eisen v. Carlisle & Jacquelin*, 417 U.S. 156 (1974) (citing *Mullane*, 339 U.S. at 314).

50. The Notice Plan will provide the best notice practicable under the circumstances, conform to all aspects of Federal Rule of Civil Procedure 23 regarding notice, comport with the guidance for effective notice articulated in the Manual for Complex Litigation, Fourth and applicable FJC materials, and satisfy the requirements of due process, including its “desire to actually inform” requirement.

51. The Notice Plan schedule will afford enough time to provide full and proper notice to the Class Members before any objection deadlines.

52. At the conclusion of the Notice Plan, I will provide a declaration verifying the effective implementation of the Notice Plan.

I declare under penalty of perjury that the foregoing is true and correct. Executed on May 9, 2025.

MARGO K. BRODIE, United States District Judge:

I, Cameron R. Azari, Esq., hereby declare and state as follows:

1. My name is Cameron R. Azari, Esq. I have personal knowledge of the matters set forth herein, and I believe them to be true and correct.
2. I am a nationally recognized expert in the field of legal notice, and I have served as an expert in hundreds of federal and state cases involving class action notice plans.
3. I am a Senior Vice President of Epiq Class Action and Claims Solutions, Inc. ("Epiq") and the Director of Legal Notice for Hilsoft Notifications, a firm that specializes in designing, developing, analyzing, and implementing large-scale, un-biased, legal notification plans. Hilsoft Notifications is a business unit of Epiq.

experience and research into the notice issues in this case. I previously executed my *Declaration of Cameron R. Azari, Esq. Regarding Notice Plan*, (“Notice Plan Declaration”) on May 16, 2022, which described the Notice Plan, detailed Hilsoft’s class action notice experience, and attached Hilsoft’s *curriculum vitae*. I also provided my educational and professional experience relating to class actions and my ability to render opinions on overall adequacy of notice programs.

OVERVIEW

5. Epiq received data files from four defendants (Visa, MC, Amex, and Discover), with 2,551,887 total rows of data. In my Notice Plan Declaration, I reported a total of 1,000,476 unique merchant addresses and 135,376 unique email addresses were provided from the four datasets. These counts were preliminary estimates before Epiq had standardized and normalized the data and completed address updates. After completing these steps, Epiq then combined, deduplicated and rolled up the records (with a common physical address location), which resulted in 1,125,421 unique Class Member records. Of these records, 1,120,580 had a physical mailing address and were sent a Postcard Notice, and 110,595 records had a unique email address and were sent an Email Notice (some records had both a physical mailing address and an email address and were mailed both a Postcard Notice and an Email Notice).

6. Federal Rules of Civil Procedure, Rule 23 directs that notice must be “the best notice practicable under the circumstances” and must include “individual notice to all members who can be identified through reasonable effort.”¹ The Notice Plan satisfied this requirement. In addition to providing individual notice via direct mail and email, the individual notice efforts were supplemented with an extensive media notice program and a case website. In my opinion, the Notice Plan as designed and implemented reached the greatest practicable number of members of the certified Class.

7. The individual notice portion of the Notice Program reached approximately 96.6% of the identified Class. The extensive media notice effort expanded that reach even higher. In my experience, the reach of the Notice Program is consistent with or exceeded other court-

approved Class Certification notice programs, was the best notice practicable under the circumstances of this case and satisfied the requirements of due process, including its “desire to actually inform” requirement.²

NOTICE PLAN DETAIL

8. The Notice Plan was designed to provide notice to the following Class as defined in the Class Certification Order, approved on August 28, 2020, as:

Merchants who incurred one or more unreimbursed chargeback(s) between October 1, 2015, through and including September 30, 2017, pursuant to the Fraud Liability Shift for the assessment of Mastercard, Visa, Discover and/or Amex payment card chargebacks (the “Class”).

Excluded from the Class are members of the judiciary government entities or agencies.

Individual Notice - Direct Mail

9. From June 28, 2022, through July 1, 2022, Epiq sent a Postcard Notice to 1,120,580 identified members of the Class. The Postcard Notice was sent via United States Postal Service (“USPS”) first class mail. The Postcard Notice clearly and concisely summarized the case and the legal rights of the Class. The Postcard Notice also directed the recipients to the case website to access additional information. The Postcard Notice is included as **Attachment 1**.

10. Prior to sending the Postcard Notice, all mailing addresses were checked against the National Change of Address (“NCOA”) database maintained by the USPS to ensure the address information is up-to-date and accurately formatted for mailing.³ In addition, the addresses were certified via the Coding Accuracy Support System (“CASS”) to ensure the quality of the zip

² *Mullane v. Cent. Hanover Bank & Trust Co.*, 339 U.S. 306, 315 (1950) (“But when notice is a person’s due, process which is a mere gesture is not due process. The means employed must be such as one desirous of actually informing the absentee might reasonably adopt to accomplish it. The reasonableness and hence the constitutional validity of any chosen method may be defended on the ground that it is in itself reasonably certain to inform those affected . . .”).

³ The NCOA database is maintained by the USPS and consists of approximately 160 million permanent change-of-address (COA) records consisting of names and addresses of individuals, families, and businesses who have filed a change-of-address with the Postal Service™. The address information is maintained on the database for 48 months and reduces undeliverable mail by providing the most current address information, including standardized and delivery point coded addresses, for matches made to the NCOA file for individual, family, and business moves.

code and were verified through Delivery Point Validation (“DPV”) to verify the accuracy of the addresses. This address updating process is standard for the industry and for the majority of promotional mailings that occur today.

11. The return address on the Postcard Notice is a post office box that Epiq maintains for this case. The USPS automatically forwards Postcard Notices with an available forwarding address order that has not expired (“Postal Forwards”). For Postcard Notices returned as undeliverable, Epiq remailed the Postcard Notice to any new address available through USPS information (for example, to the address provided by the USPS on returned pieces if the forwarding order had expired but was still within the time period in which the USPS returns the piece with a forwarding address indicated), or to better addresses that may have been found using a third-party lookup service. Upon successfully locating better addresses, Postcard Notices were promptly remailed. As of January 18, 2023, Epiq has remailed 15,915 Postcard Notices where a forwarding address was provided, or a better address was identified using a third-party lookup service.

12. Additionally, a Certification Notice was mailed to all persons who request one via the toll-free telephone number or by mail. The Certification Notice is available to download or print at the case website. As of January 18, 2023, nine Certification Notices have been mailed as a result of such requests. The Certification Notice is included as **Attachment 2**.

Individual Notice - Email

13. On July 1, 2022, Epiq sent 110,595 Email Notices to identified members of the Class with an associated email address. For all records in the data with an associated valid email address, an Email Notice was sent (meaning records with both a physical address and an email address were sent both a Postcard and an Email Notice). Industry standard best practices were followed for the Email Notice efforts. The Email Notice was drafted in such a way that the subject line, the sender, and the body of the message overcame SPAM filters and ensured readership to the fullest extent reasonably practicable. For instance, the Email Notice used an embedded html text format. This format provided easy to read text without graphics, tables, images, attachments,

and other elements increasing the likelihood that the message would not be blocked by Internet Service Providers (ISPs) and/or SPAM filters. The Email Notice was sent from an IP address known to major email providers as one not used to send bulk “SPAM” or “junk” email blasts. Each Email Notice was transmitted with a digital signature to the header and content of the Email Notice, which allowed ISPs to programmatically authenticate that the Email Notices were from authorized mail servers. Each Email Notice was also transmitted with a unique message identifier. The Email Notice included an embedded link to the case website. By clicking the link, recipients were able to easily access other information about the case. The Email Notice clearly and concisely summarized the case and the legal rights of the Class Members. The Email Notice is included as **Attachment 3**.

14. If the receiving email server could not deliver the message, a “bounce code” was returned along with the unique message identifier. For any Email Notice for which a bounce code was received indicating that the message was undeliverable for reasons such as an inactive or disabled account, the recipient’s mailbox was full, technical autoreplies, etc., at least two additional attempts were made to deliver the Email Notice by email.

15. After completion of the Email Notice efforts, 32,017 Email Notices were not deliverable.

Notice Results

16. As of January 18, 2023, an Email Notice and/or Postcard Notice were delivered to 1,088,256 of the 1,125,421 unique, identified Class Members. This means the individual notice efforts reached approximately 96.6% of identified Class Members.

Media Plan

Internet Notice Campaign

17. Internet advertising has become a standard component in legal notice programs. The internet has proven to be an efficient and cost-effective method to target and provide measurable reach of persons covered by a lawsuit. According to MRI-Simmons data⁴, 97% of all

⁴ MRI-Simmons is a leading source of publication readership and product usage data for the communications industry. MRI-Simmons is the new name for the joint venture of GfK Mediamark

adults and 98% of business owners are online. Additionally, 85% of all adults and 89% of business owners use social media.⁵

18. The Notice Plan included targeted Banner Notice advertising on a selected advertising network, which was targeted to Class Members. The Banner Notices linked directly to the website, thereby allowing visitors easy access to relevant information and documents. Consistent with common practice, the Banner Notices used language from the notice headline, which allowed users to identify themselves as potential Class Members. As an additional way to draw the interest of the Class Members, and to be consistent with Federal Judicial Center (“FJC”) recommendations that a picture or graphic may help class members self-identify, the Banner Notices featured a high-resolution image. The Banner Notices was also placed on social media on *Facebook* and *Instagram*, and on Crain’s business news websites.

19. All Banner Notices appeared on desktop, mobile, and tablet devices and were distributed to the selected targeted audiences nationwide. Banner Notices were also targeted (remarketed) to people who clicked on a Banner Notice.

20. More details regarding the target audiences, distribution, and specific ad sizes of the Banner Notices are included in the following table.

21. Combined, the Banner Notices, which ran from July 1, 2022, through July 31,

2022, generated more than 249.6 million impressions nationwide.⁶ Clicking on the Banner Notices linked the reader to the case website, where the reader could easily obtain detailed information about the case. Examples of the Banner Notices have been collected by Epiq and are available upon request.

Ethnic Newspaper Notices

22. To target the extensive number of small businesses that may be owned or operated by Class Members for whom English is a second language, a Publication Notice appeared twice in each of the following selected ethnic newspapers:

⁶ The third-party ad management platform, ClickCease, was used to audit any digital Banner Notice ad placements. This type of platform tracks all Banner Notice ad clicks to provide real-time ad monitoring, fraud traffic analysis, blocks clicks from fraudulent sources, and quarantines dangerous IP addresses. This helped reduce wasted, fraudulent, or otherwise invalid traffic (e.g., ads being seen by ‘bots’ or non-humans, ads not being viewable, etc.).

⁷ As detailed in my Notice Plan Declaration, notice was planned to be published in *Chicago Shimpo* and *A Chau Thai Bao*. However, *Chicago Shimpo* ceased publication before the Publication Notice could run in the newspaper and the publisher for *A Chau Thai Bao* did not print an edition before August 1, 2022, so the Publication Notice could not run as planned in that newspaper.

23. An example of the Publication Notice is included as **Attachment 4**. Individual tear sheets have been collected by Epiq and are available upon request.

Internet Sponsored Search Listings

24. To facilitate locating the website, sponsored search listings were acquired online through the highly visited internet search engines: *Google*, *Yahoo!*, and *Bing*. When search-engine visitors searched on common keyword combinations to identify the case, the sponsored search listing generally was displayed at the top of the page prior to the search results or in the upper right-hand column of the web-browser screen. A list of keywords was developed in conjunction with counsel. The sponsored search listings were displayed nationwide. All sponsored search listing ads linked directly to the case website.

25. The sponsored search listings ran from July 1, 2022, through July 31, 2022. The sponsored listings were displayed 50,431 times, which resulted in 2,026 clicks that displayed the case website. A complete list of the sponsored search keyword combinations is included as **Attachment 5**. Examples of the sponsored search listing as displayed on each search engine are included as **Attachment 6**.

Informational Release

26. To build additional reach and extend exposures, on July 1, 2022, a party-neutral Informational Release was issued broadly over PR Newswire's U.S. Newswire in English and Hispanic Newswire in Spanish to approximately 5,000 general media (print and broadcast) outlets, including local and national newspapers, magazines, national wire services, television and radio broadcast media across the United States as well as approximately 4,500 websites, online databases, internet networks and social networking media. The Informational Release was also specifically targeted to "Small Business" influencers.

27. The Informational Release included the address of the case website and the toll-

free telephone number. The Informational Release served a valuable role by providing additional notice exposures beyond that which was provided by the paid media. The Informational Releases in English and Spanish are included as **Attachment 7**.

Case Website

28. On June 29, 2022, Epiq established a dedicated website (in English and Spanish) with an easy to remember domain name (www.FraudLiabilityShiftLitigation.com). The case website allows potential Class Members to obtain detailed information about the case and review key documents, including the Certification Notice, Amended Complaint, Class Certification Order, and other important documents, as well as answers to Frequently Asked Questions (“FAQs”). The case website address was prominently displayed in all Notice documents.

29. As of January 18, 2023, there have been 25,661 unique visitor sessions to the case website and 30,344 website pages presented.

Toll-free Telephone Number and Postal Mailing Address

30. On June 29, 2022, a toll-free telephone number (1-855-662-0073) was established (in English and Spanish). Callers can hear an introductory message and then have the option to continue to get information about the lawsuit in the form of recorded answers to FAQs. Callers can request a Certification Notice by mail and can speak to a service agent during standard business hours. The toll-free telephone number was prominently displayed in all Notice documents. The automated phone system is available 24 hours per day, 7 days per week. As of January 18, 2023, there have been 279 calls to the toll-free telephone number representing 1,409 minutes of use, and service agents have handled 97 incoming calls representing 1,146 minutes of use and 43 outbound calls representing 108 minutes of use.

31. A postal mailing address was established, allowing Class Members to request additional information or ask questions.

Requests for Exclusion

32. The deadline to request exclusion from the Class was August 31, 2022. Epiq received requests for exclusion from 334 Class Members. Of these, 108 were received on or

before the deadline to request exclusion and 226 were received after the deadline to request exclusion. The Request for Exclusion Report is included as **Attachment 8**.

CONCLUSION

33. In class action notice planning, execution, and analysis, we are guided by due process considerations under the United States Constitution, and by case law pertaining to the recognized notice standards under Federal Rules of Civil Procedure, Rule 23. This framework directs that the notice plan be optimized to reach the class, and that the notice or notice plan itself not limit knowledge of legal rights—nor the ability to exercise other options—to class members in any way. Based on the information that has been provided to me as of the date of this declaration, all of these requirements were met in this case.

34. The Notice Program included individual notice to all identified Class Members with a Postcard Notice and an Email Notice (for those records with a valid email address) and an extensive media program. Combined, the Notice Program reached at least 80% of the identified Class Members. The reach was further enhanced by the case website. In 2010, the Federal Judicial Center (“FJC”) issued a *Judges’ Class Action Notice and Claims Process Checklist and Plain Language Guide*. This Guide states that, “the lynchpin in an objective determination of the adequacy of a proposed notice effort is whether all the notice efforts together will reach a high percentage of the class. It is reasonable to reach between 70–95%.”⁸ Here, we have developed and implemented a Notice Program that readily achieved a reach within that standard.

35. The Notice Plan followed the guidance for how to satisfy due process obligations that a notice expert gleans from the United States Supreme Court’s seminal decisions, which are: a) to endeavor to actually inform the class, and b) to demonstrate that notice is reasonably calculated to do so:

- a) “But when notice is a person’s due, process which is a mere gesture is not due process. The means employed must be such as one desirous of actually informing the absentee might reasonably adopt to accomplish it,” *Mullane v. Central Hanover Trust*, 339 U.S. 306, 315 (1950).

⁸ FED. JUDICIAL CTR, JUDGES’ CLASS ACTION NOTICE AND CLAIMS PROCESS CHECKLIST AND PLAIN LANGUAGE GUIDE 3 (2010), available at <https://www.fjc.gov/content/judges-class-action-notice-and-claims-process-checklist-and-plain-language-guide-0>.

- b) “[N]otice must be reasonably calculated, under all the circumstances, to apprise interested parties of the pendency of the action and afford them an opportunity to present their objections,” *Eisen v. Carlisle & Jacquelin*, 417 U.S. 156 (1974) citing *Mullane* at 314.

36. In my opinion, the Notice Program provided the best notice practicable under the circumstances of this case, conformed to all aspects of Federal Rules of Civil Procedure, Rule 23, comported with the guidance for effective notice articulated in the Manual for Complex Litigation 4th Ed, and followed the FJC’s *Judges’ Class Action Notice and Claims Process Checklist and Plain Language Guide*.

37. The Notice Program schedule afforded enough time to provide full and proper notice to Class Members before the opt-out deadline.

I declare under penalty of perjury that the foregoing is true and correct. Executed January 19, 2023.

Cameron R. Azari, Esq.

The Court has not yet decided who is right. The Court has decided this case should proceed as a class action lawsuit. Liability has not yet been determined. No trial date has been set. There is no money available now. There is no guarantee there ever will be. However, your legal rights may be affected and you must make a choice now.

WHAT ARE MY RIGHTS AND OPTIONS?

**NOTICE OF CLASS ACTION AUTHORIZED BY THE UNITED STATES
DISTRICT COURT FOR THE EASTERN DISTRICT OF NEW YORK**

If you are a merchant who incurred an unreimbursed EMV/chip Fraud Liability Shift chargeback on a Visa, Mastercard, American Express, or Discover credit or debit card transaction that occurred from October 1, 2015, to September 30, 2017, you may be a member of a Certified Class.

A court authorized this Notice. This is not a lawyer solicitation. You are not being sued.

- A class action lawsuit is pending in the U.S. District Court for the Eastern District of New York against Visa, Inc., Mastercard, Incorporated, American Express, Inc., and Discover, Inc., (together the “Defendants”). The case is entitled *B&R Supermarket, Inc., et al. v. Visa, Inc., et al.*, Case No. 17-cv-02738. The lawsuit alleges that Defendants Visa, Mastercard, American Express, and Discover violated antitrust laws by illegally acting in concert in shifting the liability for certain fraudulent charges when a credit or debit card was enabled with EMV/chip technology and the merchant’s terminal was not enabled for EMV/chip technology.
- The Court has decided this case should proceed as a class action lawsuit on behalf of a group of entities that may include you. The Class consists of merchants who incurred an unreimbursed chargeback on a transaction that occurred between October 1, 2015, and September 30, 2017, due to a shift of liability for certain fraud on Visa, Mastercard, American Express, or Discover transactions when the credit or debit card was enabled with EMV/chip technology and the merchant’s terminal was not enabled for EMV/chip technology. Members of the judiciary and government entities and agencies are excluded from being part of the Class.
- The Court has not yet decided who is right. Liability has not yet been determined. No trial date has been set. There is no money available now. There is no guarantee there ever will be. However, your legal rights may be affected, and you must make a choice now.

WHAT ARE MY RIGHTS AND OPTIONS?

1) Do nothing. Stay in this case. Await the outcome. Give up certain rights.

If you do nothing, you are choosing to stay in the Class and you keep the possibility of getting money or benefits that may be awarded at trial or through a settlement. You will be legally bound by all of the orders the Court issues and Judgments the Court makes in this litigation. However, if you stay in the case, you give up any rights you may have to sue the Defendants separately for any claims based on the facts and conduct raised by the lawsuit. For more information about the lawsuit, you may visit www.FraudLiabilityShiftLitigation.com or call toll-free at 1-855-662-0073.

2) Exclude yourself. Get out of this case. Get no money from it, if any is recovered in the future. Keep any rights you may have to sue on your own.

If you ask to be excluded from the Class, you must say in writing that you do not want to be included in this lawsuit and you will not be entitled to any recovery, if any ultimately is awarded. But you, on your own or through an attorney you hire, may be able to sue the Defendants for any claims based on the facts and conduct raised by the lawsuit. You will not be bound by any past or future rulings against the Defendants in this lawsuit. To exclude yourself, you must send a letter, as described below, stating you want to exclude yourself from the Class, to: **FLS Litigation Administrator, P.O. Box 6430, Portland, OR 97228-6430**. Your exclusion request must be postmarked no later than **August 31, 2022**.

**THESE RIGHTS AND OPTIONS—AND THE DEADLINES TO EXERCISE
THEM—ARE EXPLAINED IN THIS NOTICE.**

BASIC INFORMATION

1. Why Did I Get This Notice?

You received this Notice because the Court in charge of this lawsuit has certified this case as a class action, and this Notice must be sent to members of the Class. You were identified as a possible member of the Class. The Court in charge of this case is the United States District Court for the Eastern District of New York, and the case is called *B&R Supermarket, Inc., et al. v. Visa, Inc., et al.*, Case No. 17-cv-02738.

The purpose of this Notice is to inform you about this lawsuit, the certification of the case as a class action, and your options of staying in the Class or asking to be excluded from the Class and the case.

2. What Is This Lawsuit About?

The lawsuit is a class action, alleging that Defendants Visa, Mastercard, American Express, and Discover violated antitrust laws by illegally acting in concert in shifting the liability for certain fraudulent charges on their networks to merchants when the card is enabled with EMV/chip technology and the merchant's terminal is not enabled for EMV/chip technology.

Plaintiffs allege that Defendants violated antitrust laws by entering into a conspiracy to (1) adopt the same policy via nearly identical rules for shifting billions of dollars in liability from banks to merchants ("Liability Shift" or "Fraud Liability Shift" or "FLS") for fraudulent charges ("chargebacks"); and (2) make the Liability Shift effective in the same month and in the same manner for all four networks. Defendants have denied the claims in this lawsuit and maintain that, even if Defendants are found liable, Plaintiffs and other members of the Class are not entitled to damages.

The Court has not decided whether Defendants violated any laws. By allowing this case to proceed as a class action and this Notice to be issued, the Court is not suggesting that Plaintiffs will win or lose.

Additional information about the claims and a copy of the Amended Complaint are available at www.FraudLiabilityShiftLitigation.com.

3. What Is a Class Action?

In a class action, one or more people called class representatives (in this case, B&R Supermarket, Grove Liquors LLC, Strouk Group LLC, Palero Food Corp., and Cagueyes Food Corp.) sue on behalf of people who have similar claims. If the Court "certifies" the class (i.e., approves the case for class treatment), the Court resolves the issues for all class members except for those who "exclude" themselves from the class (otherwise known as "opting out" of the class and the class action).

4. What Has Happened in This Case?

Plaintiffs filed this action in March of 2016 in the Northern District of California. On July 15, 2016, Plaintiffs filed an Amended Complaint, which Defendants moved to dismiss. On September 30, 2016, the Court in the Northern District of California granted in part and denied in part the motions to dismiss the Amended Complaint. The Court dismissed the claims against all Defendants other than Visa, Mastercard, Discover, and American Express. On May 4, 2017, the Court transferred the case to the federal District Court in the Eastern District of New York, where it is now pending. On August 28, 2020, the Court certified this lawsuit as a class action on behalf of eligible merchants.

The parties have engaged in class-wide fact and expert discovery and recently concluded all discovery. The Court will soon set a schedule for further proceedings in the case, including for summary judgment and other motions, pretrial conference, and trial.

5. What Are the Class Representatives Asking For?

The Class Representatives are asking for money to compensate Class Members for damages they allege were caused by Defendants' conduct, as well as pre-judgment and post-judgment interest and their reasonable attorneys' fees and costs.

6. How Do I Know If I Am a Class Member?

You are a member of the Class if you are a merchant in the United States who incurred a chargeback on a credit or debit card transaction under the so-called EMV/chip technology Fraud Liability Shifts of Visa, Mastercard, Discover, and/or American Express if the original transaction occurred between October 1, 2015 and September 30, 2017 and that chargeback was not reimbursed or absorbed by another entity. Excluded from the Class are members of the judiciary and government entities or agencies.

If you are unsure about whether you are a Class Member, you can get free help by calling, emailing, or writing to the Plaintiffs' lawyers in this case at the phone numbers and addresses listed below.

7. What Are My Options as a Class Member?

You must decide whether to stay in the Class or opt out of the Class.

8. What Happens If I Choose to Stay in the Class?

If you stay in the Class, you will be permitted to share in a recovery, if any, that may occur in this lawsuit. But you give up any rights to sue the Defendants separately for any claims based on the facts and conduct raised in this lawsuit. You also will be legally bound by all of the Orders the Court issues and Judgments the Court makes in this class action, even if there is no recovery.

9. How Do I Stay in the Class?

You do not have to do anything to stay in the Class.

10. What Happens If I Opt Out of the Class?

If you opt out of the Class (by stating in writing that you do not want to be in the Class in this lawsuit), you will give up the right to participate in any recovery that may occur. But you will keep any rights you may currently have to sue the Defendants regarding the legal claims at issue in this lawsuit. You also will not be bound by the Orders the Courts issues and Judgments the Court makes in this case.

11. How Do I Opt Out of the Class?

If you are a merchant that does not want to be a member of the Class, you must send a written “Request to Opt Out” to the Notice Administrator so it is received no later than **August 31, 2022**. Your written request must include:

- Your merchant name; address; taxpayer identification number; and telephone number or email address;
- That you are writing about this specific case with the case number, that is, *B&R Supermarket, Inc., et al. v. Visa Inc., et al.*, Case No. 17-cv-02738;
- A simple statement that you want to opt out, or not be a member of the Class;
- The business names, brand names, “doing business as” names, taxpayer identification number(s), and address of any store or sales location associated with the merchant that is opt outing out; and
- Your personal signature along with your printed name and title or position at the merchant that gives you authority to opt out the merchant.

Your request to opt out must be sent to the following address by no later than August 31, 2022:

FLS Litigation, P.O. Box 6430, Portland, OR 97228-6430

If you have any questions, you may call toll-free at 1-855-662-0073. However, optouts or exclusions via telephone or email will not be effective. Opt-outs or exclusions executed by someone besides you or on your behalf will not be effective. You must personally sign the exclusion request.

12. What Happens If I Do Not Do Anything?

By doing nothing, you are choosing to stay in the Class. If you stay in the Class and the Class obtains money or benefits, you will be notified about how to apply for a share. Regardless of whether the plaintiffs win or lose at trial or whether they settle, you will not be able to sue, or continue to sue the Defendants—as part of any other lawsuit—for any claims based on the facts and conduct raised by this lawsuit. You will also be legally bound by all of the Orders the Court issues and Judgments the Court makes in this lawsuit.

THE LAWYERS REPRESENTING YOU

13. As a Class Member, Do I Have a Lawyer Representing My Interests in This Class Action?

Yes. The Court has appointed lawyers to represent you and other Class Members. These lawyers are called Class Counsel. The Court has approved and appointed George C. Aguilar, Michael J. Nicoud, and Jacob Ogbozo and the law firm of Robbins LLP as Class Counsel. These lawyers are also assisted by John Devine of Devine Goodman & Rasco, LLP, and by Thomas G. Amon of the Law Offices of Thomas G. Amon.

mnicoud@robbinsllp.com
jogbozo@robbinsllp.com

14. How Will the Lawyers Be Compensated, and Will the Class Representatives Receive Compensation?

If recovery is obtained for the Class, Class Counsel will request and apply to the Court for an award of attorneys' fees and for the reimbursement of expenses for litigating the case. Class Counsel may also apply to the Court to approve a reasonable amount for the Class Representatives for their services in fulfilling their duties. These applications will be filed with the Court and will be available for review once filed on the Court's docket for public electronic access. If approved, these fees and expenses and representative awards will be paid from the recovery obtained for the Class.

15. Should I Get My Own Lawyer?

You do not need to hire your own lawyer because Class Counsel is working for you. You are welcome to hire your own lawyer at your expense. If you hire a lawyer to speak for you or to appear in Court, your lawyer must file a Notice of Appearance.

Jul 01, 2022, 09:00 ET

NEW YORK, July 1, 2022 /PRNewswire/ -- If you are a merchant who incurred an unreimbursed EMV/chip Fraud Liability Shift chargeback on a Visa, Mastercard, American Express, or Discover credit or debit card transaction that occurred from October 1, 2015, to September 30, 2017, a pending class action lawsuit may affect your rights.

Class action litigation (*B&R Supermarket, Inc, et al. v. Visa Inc., et al., 17-cv-02738*) is pending in the U.S. District Court for the Eastern District of New York. In this litigation, Plaintiffs assert that Defendants Visa, Mastercard, American Express, and Discover violated antitrust laws by illegally acting in concert in shifting the liability for certain fraudulent charges to merchants when the card was enabled with EMV/chip technology and the merchant's terminal was not. The Court has not yet decided who is right. The Court has decided this case should proceed as a class action lawsuit. Liability has not yet been determined. No trial date has been set. There is no money available now. There is no guarantee there ever will be. However, your legal rights may be affected and you must make a choice now.

WHAT ARE MY RIGHTS AND OPTIONS?

Your options are either:

1. **Do nothing. Stay in this case. Await the outcome. Give up certain rights.** If you do nothing, you keep the possibility of getting money or benefits that may be awarded at trial or through a settlement. You will be legally bound by all of the Orders the Court issues and Judgments the Court makes in this litigation. However, if you stay in the case, you give up any rights you may have to sue the Defendants separately concerning any claims based on the facts and conduct raised by this lawsuit. If you choose, you may enter an appearance in this case through an attorney.

2. **Exclude yourself. Get out of this case. Get no money from it, if any is recovered in the future. Keep any rights you may have to sue on your own.** If you ask to be excluded from the Class, you will not be entitled to any recovery, if any ultimately is awarded. But you, on your own or through an attorney you hire, may be able to sue the Defendants concerning the same legal claims that are the subject of this lawsuit. To exclude yourself, you must send a letter stating you want to exclude yourself from the Class to: **FLS Litigation Administrator, P.O. Box 6430, Portland, OR 97228-6430**. Your exclusion request must be postmarked no later than **08/31/2022**.

NUEVA YORK, 1 de julio de 2022 /PRNewswire-HISPANIC PR WIRE/ -- Si usted es un comerciante que incurrió en un contracargo por transferencia de responsabilidad por fraude de EMV/chip no reembolsado en una transacción con tarjeta de crédito o débito Visa, Mastercard, American Express o Discover que ocurrió del 1 de octubre de 2015 al 30 de septiembre de 2017, una demanda colectiva pendiente puede afectar sus derechos.

El litigio de demanda colectiva (*B&R Supermarket, Inc., et al. v. Visa Inc., et al.*, 17-cv-02738) está pendiente en el Tribunal de Distrito de los Estados Unidos para el Distrito Este de Nueva York. En este litigio, los Demandantes afirman que los Demandados Visa, Mastercard, American Express y Discover violaron las leyes antimonopolio al actuar ilegalmente en conjunto para transferir la responsabilidad por ciertos cargos fraudulentos a los comerciantes cuando la tarjeta estaba habilitada con tecnología EMV/chip y el terminal del comerciante no

lo estaba. El Tribunal todavía no ha decidido quién tiene la razón. El Tribunal decidió que este caso debía proceder como un litigio de demanda colectiva. Aún no se ha determinado la responsabilidad. No se ha establecido una fecha de juicio. No hay dinero disponible en la actualidad. No hay garantía alguna de que habrá en el futuro. Sin embargo, sus derechos legales pueden verse afectados, y usted debe tomar una decisión ahora.

¿CUÁLES SON MIS DERECHOS Y OPCIONES?

Sus opciones son las siguientes:

1. **No hacer nada. Permanecer en este caso. Esperar el resultado. Renunciar a ciertos derechos.** Si usted no hace nada, mantiene la posibilidad de obtener dinero o beneficios que pueden otorgarse en un juicio o mediante una conciliación. Usted quedará obligado legalmente por todas las Órdenes judiciales y las Sentencias dictadas por el Tribunal en este litigio. Sin embargo, si permanece en el caso, usted renuncia a cualquier derecho que pueda tener de demandar a los Demandados por separado por cualquier reclamación basada en los hechos y la conducta planteados por esta demanda. Si lo desea, usted puede presentar una comparecencia en este caso mediante un abogado.
2. **Excluirse. Retirarse de este caso. No obtener dinero de él, si se recupera alguno en el futuro. Conservar cualquier derecho que usted pueda tener a demandar por su cuenta.** Si solicita ser excluido del Grupo de demandantes, usted no tendrá derecho a ningún resarcimiento si finalmente se otorga alguno. Pero usted, por su cuenta o mediante un abogado que contrate, puede demandar a los Demandados en relación con las mismas reclamaciones legales que son objeto de la presente demanda. Para excluirse, usted debe enviar una carta en la que indique que desea excluirse del Grupo de demandantes, a: **FLS Litigation Administrator, P.O. Box 6430, Portland, OR 97228-6430**. Judge Lucy H. Koh, *Grace v. Apple, Inc.* (Mar. 31, 2021) 17-cv-00551 (N.D. Cal.):

Federal Rule of Civil Procedure 23(c)(2)(B) requires that the settling parties provide class members with “the best notice that is practicable under the circumstances, including individual notice to all members who can be identified through reasonable effort. The notice must clearly and concisely state in plain, easily understood language: (i) the nature of the action; (ii) the definition of the class certified; (iii) the class claims, issues, or defenses; (iv) that a class member may enter an appearance through an attorney if the member so desires; (v) that the court will exclude from the class any member who requests exclusion; (vi) the time and manner for requesting exclusion; and (vii) the binding effect of a class judgment on members under Rule 23(c)(3).” The Court finds that the Notice Plan, which was direct notice sent to 99.8% of the Settlement Class via email and U.S. Mail, has been implemented in compliance with this Court’s Order (ECF No. 426) and complies with Rule 23(c)(2)(B).

Judge Gary A. Fenner, *In re Pre-Filled Propane Tank Antitrust Litigation* (Mar. 30, 2021) MDL No. 2567, 14-cv-02567 (W.D. Mo.):

That Declaration shows that there have been no requests for exclusion from the Settlement, and no objections to the Settlement. Finally, the Declaration reflects that AmeriGas has given appropriate notice of this settlement to the Attorney General of the United States and the appropriate State officials under the Class Action Fairness Act, 28 U.S.C. § 1715, and no objections have been received from any of them.

Judge James D. Peterson, *Fox et al. v. Iowa Health System d.b.a. UnityPoint Health* (Mar. 4, 2021) 18-cv-00327 (W.D. Wis.):

The approved Notice plan provided for direct mail notice to all class members at their last known address according to UnityPoint’s records, as updated by the administrator through the U.S. Postal Service. For postcards returned undeliverable, the administrator tried to find updated addresses for those class members. The administrator maintained the Settlement website and made Spanish versions of the Long Form Notice and Claim Form available upon request. Moreover, plaintiffs have submitted [a] declaration from Cameron Azari, a nationally recognized notice expert, who attests that fashioning an effective joint notice is not unworkable or unduly confusing. Azari also provides a detailed analysis of how he would approach fashioning an effective notice in this case.

Judge Carl J. Barbier, *In re Oil Spill by the Oil Rig "Deepwater Horizon" in the Gulf of Mexico, on April 20, 2010 (Medical Benefits Settlement)* (Jan. 11, 2013) MDL No. 2179 (E.D. La.):

Through August 9, 2012, 366,242 individual notices had been sent to potential [Medical Benefits] Settlement Class Members by postal mail and 56,136 individual notices had been e-mailed. Only 10,700 mailings—or 3.3%—were known to be undeliverable. (Azari Decl. ¶¶ 8, 9.) Notice was also provided through an extensive schedule of local newspaper, radio, television and Internet placements, well-read consumer magazines, a national daily business newspaper, highly-trafficked websites, and Sunday local newspapers (via newspaper supplements). Notice was also provided in non-measured trade, business and specialty publications, African-American, Vietnamese, and Spanish language publications, and Cajun radio programming. The combined measurable paid print, television, radio, and Internet effort reached an estimated 95% of adults aged 18+ in the Gulf Coast region an average of 10.3 times each, and an estimated 83% of all adults in the United States aged 18+ an average of 4 times each. (Id. ¶¶ 8, 10.) All notice documents were designed to be clear, substantive, and informative. (Id. ¶ 5.)

The Court received no objections to the scope or content of the [Medical Benefits] Notice Program. (Azari Supp. Decl. ¶ 12.) The Court finds that the Notice and Notice Plan as implemented satisfied the best notice practicable standard of Rule 23(c) and, in accordance with Rule 23(e)(1), provided notice in a reasonable manner to Class Members who would be bound by the Settlement, including individual notice to all Class Members who could be identified through reasonable effort. Likewise, the Notice and Notice Plan satisfied the requirements of Due Process. The Court also finds the Notice and Notice Plan satisfied the requirements of CAFA.

Judge Carl J. Barbier, *In re Oil Spill by the Oil Rig "Deepwater Horizon" in the Gulf of Mexico, on April 20, 2010 (Economic and Property Damages Settlement)* (Dec. 21, 2012) MDL No. 2179 (E.D. La.):

The Court finds that the Class Notice and Class Notice Plan satisfied and continue to satisfy the applicable requirements of Federal Rule of Civil Procedure 23(c)(2)(b) and 23(e), the Class Action Fairness Act (28 U.S.C. § 1711 et seq.), and the Due Process Clause of the United States Constitution (U.S. Const., amend. V), constituting the best notice

that is practicable under the circumstances of this litigation. The notice program surpassed the requirements of Due Process, Rule 23, and CAFA. Based on the factual elements of the Notice Program as detailed below, the Notice Program surpassed all of the requirements of Due Process, Rule 23, and CAFA.

The Notice Program, as duly implemented, surpasses other notice programs ... executed with court approval. The Notice Program included notification to known or potential Class Members via postal mail and e-mail; an extensive schedule of local newspaper, radio, television and Internet placements, well-read consumer magazines, a national daily business newspaper, and Sunday local newspapers. Notice placements also appeared in non-measured trade, business, and specialty publications, African-American, Vietnamese, and Spanish language publications, and Cajun radio programming. The Notice Program met the objective of reaching the greatest possible number of class members and providing them with every reasonable opportunity to understand their legal rights. See Azari Decl. ¶¶ 8, 15, 68. The Notice Program was substantially completed on July 15, 2012, allowing class members adequate time to make decisions before the opt-out and objections deadlines.

The media notice effort alone reached an estimated 95% of adults in the Gulf region an average of 10.3 times each, and an estimated 83% of all adults in the United States an average of 4 times each. These figures do not include notice efforts that cannot be measured, such as advertisements in trade publications and sponsored search engine listings. The Notice Program fairly and adequately covered and notified the class without excluding any demographic group or geographic area, and it exceeded the reach percentage achieved in most other court-approved notice programs.

Judge Alonzo Harris, Opelousas General Hospital Authority, A Public Trust, D/B/A Opelousas General Health System and ArklaMiss Surgery Center, L.L.C. v. FairPay Solutions, Inc. (Aug. 17, 2012) 12-C-1599 (27th Jud. D. Ct. La.):

Notice given to Class Members and all other interested parties pursuant to this Court's order of April 18, 2012, was reasonably calculated to apprise interested parties of the pendency of the action, the certification of the Class as Defined for settlement purposes only, the terms of the Settlement Agreement, Class Members rights to be represented by private counsel, at their own costs, and Class Members rights to appear in Court to have their objections heard, and to afford persons or entities within the Class Definition an opportunity to exclude themselves from the Class. Such notice complied with all requirements of the federal and state constitutions, including the Due Process Clause, and applicable articles of the Louisiana Code of Civil Procedure, and constituted the best notice practicable under the circumstances and constituted due and sufficient notice to all potential members of the Class as Defined.

Judge James Lawrence King, Sachar v. Iberiabank Corporation (Apr. 26, 2012) as part of **In re Checking Account Overdraft** MDL No. 2036 (S.D. Fla.):

The Court finds that the Notice previously approved was fully and properly effectuated and was sufficient to satisfy the requirements of due process because it described "the substantive claims ... [and] contained information reasonably necessary to [allow Settlement Class Members to] make a decision to remain a class member and be bound by the final judgment.".... The Notice, among other things, defined the Settlement Class, described the release as well as the amount and method and manner of proposed distribution of the Settlement proceeds, and informed Settlement Class Members of their rights to opt-out or object, the procedures for doing so, and the time and place of the Final Approval Hearing. The Notice also informed Settlement Class Members that a class judgment would bind them unless they opted out, and told them where they could obtain more information, such as access to a full copy of the Agreement. Further, the Notice described in summary form the fact that Class Counsel would be seeking attorneys' fees of up to 30 percent of the Settlement. Settlement Class Members were provided with the best practicable notice "reasonably calculated, under [the] circumstances, to apprise them of the pendency of the action and afford them an opportunity to present their objections." Mullane, 339 U.S. at 314. The content of the Notice fully complied with the requirements of Rule 23.

Judge Bobby Peters, Vereen v. Lowe's Home Centers (Apr. 13, 2012) SU10-cv-2267B (Ga. Super. Ct.):

The Court finds that the Notice and the Notice Plan was fulfilled, in accordance with the terms of the Settlement Agreement, the Amendment, and this Court's Preliminary Approval Order and that this Notice and Notice Plan constituted the best practicable notice to Class Members under the circumstances of this action, constituted due and sufficient Notice of the proposed Settlement to all persons entitled to

participate in the proposed Settlement, and was in full compliance with Ga. Code Ann § 9-11-23 and the constitutional requirements of due process. Extensive notice was provided to the class, including point of sale notification, publication notice and notice by first-class mail for certain potential Class Members.

The affidavit of the notice expert conclusively supports this Court's finding that the notice program was adequate, appropriate, and comported with Georgia Code Ann. § 9-11-23(b)(2), the Due Process Clause of the Constitution, and the guidance for effective notice articulate in the FJC's Manual for Complex Litigation, 4th.

Judge Lee Rosenthal, *In re Heartland Payment Systems, Inc. Customer Data Security Breach Litigation* (Mar. 2, 2012) MDL No. 2046 (S.D. Tex.):

*The notice that has been given clearly complies with Rule 23(e)(1)'s reasonableness requirement ... the notice plan after its implementation and conservatively estimated that notice reached 81.4 percent of the class members. (Docket Entry No. 106, ¶ 32). Both the summary notice and the detailed notice provided the information reasonably necessary for the presumptive class members to determine whether to object to the proposed settlement. See Katrina Canal Breaches, 628 F.3d at 197. Both the summary notice and the detailed notice "were written in easy-to-understand plain English." In re Black Farmers Discrimination Litig., — F. Supp. 2d —, 2011 WL 5117058, at *23 (D.D.C. 2011); accord AGGREGATE LITIGATION § 3.04(c).15 The notice provided "satisf[ies] the broad reasonableness standards imposed by due process" and Rule 23. Judge John D. Bates, *Trombley v. National City Bank* (Dec. 1, 2011) 1:10-cv-00232 (D.D.C.) as part of ***In re Checking Account Overdraft Litigation*** MDL No. 2036 (S.D. Fla.):

The form, content, and method of dissemination of Notice given to the Settlement Class were in full compliance with the Court's January 11, 2011 Order, the requirements of Fed. R. Civ. P. 23(e), and due process. The notice was adequate and reasonable, and constituted the best notice practicable under the circumstances. In addition, adequate notice of the proceedings and an opportunity to participate in the final fairness hearing were provided to the Settlement Class.

Judge Robert M. Dow, Jr., *Schulte v. Fifth Third Bank* (July 29, 2011) 1:09-cv-06655 (N.D. Ill.):

The Court has reviewed the content of all of the various notices, as well as the manner in which Notice was disseminated, and concludes that the Notice given to the Class fully complied with Federal Rule of Civil Procedure 23, as it was the best notice practicable, satisfied all constitutional due process concerns, and provided the Court with jurisdiction over the absent Class Members.

Judge Ellis J. Daigle, *Williams v. Hammerman & Gainer Inc.* (June 30, 2011) 11-C-3187-B (27th Jud. D. Ct. La.):

Notices given to Settlement Class members and all other interested parties throughout this proceeding with respect to the certification of the Settlement Class, the proposed settlement, and all related procedures and hearings—including, without limitation, the notice to putative Settlement Class members and others ... were reasonably calculated under all the circumstances and have been sufficient, as to form, content, and manner of dissemination, to apprise interested parties and members of the Settlement Class of the pendency of the action, the certification of the Settlement Class, the Settlement Agreement and its contents, Settlement Class members' right to be represented by private counsel, at their own cost, and Settlement Class members' right to appear in Court to have their objections heard, and to afford Settlement Class members an opportunity to exclude themselves from the Settlement Class. Such notices complied with all requirements of the federal and state constitutions, including the due process clause, and applicable articles of the Louisiana Code of Civil Procedures, and constituted the best notice practicable under the circumstances and constituted due and sufficient notice to all potential members of the Settlement Class.

Judge Stefan R. Underhill, *Mathena v. Webster Bank, N.A.* (Mar. 24, 2011) 3:10-cv-01448 (D. Conn.) as part of ***In re Checking Account Overdraft Litigation*** MDL No. 2036 (S.D. Fla.):

The form, content, and method of dissemination of Notice given to the Settlement Class were adequate and reasonable, and constituted the best notice practicable under the circumstances. The Notice, as given, provided valid, due, and sufficient notice of the proposed settlement, the terms and conditions set forth in the Settlement Agreement, and these proceedings to all persons entitled to such notice, and said notice fully satisfied the requirements of Rule 23 of the Federal Rules of Civil Procedure and due process.

Judge Ted Stewart, *Miller v. Basic Research, LLC* (Sept. 2, 2010) 2:07-cv-00871 (D. Utah):

Plaintiffs state that they have hired a firm specializing in designing and implementing large scale, unbiased, legal notification plans. Plaintiffs represent to the Court that such notice will include: 1) individual notice by electronic mail and/or first-class mail sent to all reasonably identifiable Class members; 2) nationwide paid media notice through a combination of print publications, including newspapers, consumer magazines, newspaper supplements and the Internet; 3) a neutral, Court-approved, informational press release; 4) a neutral, Court-approved Internet website; and 5) a toll-free telephone number. Similar mixed media plans have been approved by other district courts post class certification. The Court finds this plan is sufficient to meet the notice requirement.

Judge Sara Loi, *Pavlov v. Continental Casualty Co.* (Oct. 7, 2009) 5:07-cv-02580 (N.D. Ohio):

[T]he elaborate notice program contained in the Settlement Agreement provides for notice through a variety of means, including direct mail to each class member, notice to the United States Attorney General and each State, a toll free number, and a website designed to provide information about the settlement and instructions on submitting claims. With a 99.9% effective rate, the Court finds that the notice program constituted the “best notice that is practicable under the circumstances,” Fed. R. Civ. P. 23(c)(2)(B), and clearly satisfies the requirements of Rule 23(c)(2)(B).

Judge James Robertson, *In re Department of Veterans Affairs (VA) Data Theft Litigation* (Sept. 23, 2009) MDL No. 1796 (D.D.C.):

The Notice Plan, as implemented, satisfied the requirements of due process and was the best notice practicable under the circumstances. The Notice Plan was reasonably calculated, under the circumstances, to apprise Class Members of the pendency of the action, the terms of the Settlement, and their right to appear, object to or exclude themselves from the Settlement. Further, the notice was reasonable and constituted due, adequate and sufficient notice to all persons entitled to receive notice.
